

## LAYLATUL QADR

Worship on the night of Laylatul Qadr is better than a thousand months! Lets start preparing for this remarkable night so when it comes we don't waste any precious moments. Lets begin by learning this amazing dua.

اللَّهُمَّ إِنَّكَ عَفُوٌّ تُحِبُّ الْعَفْوَ  
فَاعْفَوْ عَنِّي

Oh Allah! You are most  
forgiving, you love to forgive,  
so forgive me.

Some things I want to ask Allah for:

### Can I catch Laylatul Qadr?

Laylatul Qadr could be on any of the last ten nights of Ramadan. I must remember to make special extra worship on all ten nights so Inshallah I don't miss out on the rewards Allah told us about.
