

لَا إِلَهَ إِلَّا أَنْتَ سُبْحَانَكَ إِنِّي كُنْتُ مِنَ  
الظَّالِمِينَ

'There is no god but You (O my Lord!). Glory be to You!  
Verily I was of the unjust ones!" (21:87)

Discussion: Allah is All-Forgiving. He forgives all sins, minor and major, but the major ones require a sincere taubah and resolve not to return to the sin. Can you list some major sins?

As a family, think of all the names of Allah (swt) that connect to His mercy and forgiveness.
